Monthly Newsletter

The eclipse viewing party was a blast!

Guest of the Month

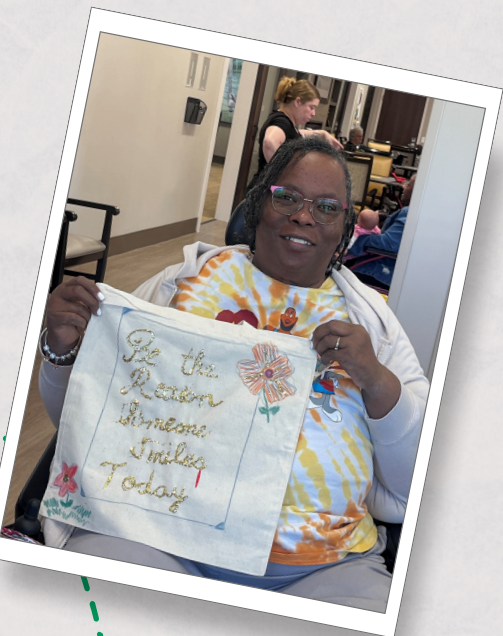

Beatrice H. is our guest of the month for May. Beatrice is a Hoosier through-and-through. Beatrice was widowed while her children were very young.

She worked as a nurse and in social services as a single mother. Mrs. B., as she is known around here, is very proud she was able to send her children to good schools and all five graduated college.

Her favorite part of visiting our location is bingo and doing crafts. She has a natural gift for flower arranging. She also enjoyed traveling abroad and visited Israel several times. These days, she enjoys spending time with her family and shopping.

Did You Know?

Seniors are at significant increased risk of heat-related illnesses, known collectively as hyperthermia, during the summer months and should stay inside on particularly hot days.
